

To all visitors of Naoshima

Thank you for visiting Naoshima.

Many elderly residents live on the islands, but there is not enough medical system as there is in the city. To prevent the further spread of COVID-19 and ensure you and other visitors can safely enjoy staying here, we would like to ask for your cooperation as follows.

- **Visitors showing signs of illness, difficulty of breathing, strong fatigue, please refrain from taking a ferry or high speed boat to Naoshima and entering the island.**
- **Please wear masks, and practice cough etiquette.**
- **Disinfect your hands at the entrance of the facility and other places where alcohol disinfectant is available.**
- **Keep social distance at least 1m between yourself and others when lining at the entrances and ticket counters. And avoid congestion while on the ferry or in the facilities.**
- **Social distancing is required and will be enforced; entry to town bus and art facilities may be limited.**
- **Do not touch any of the artworks, including outdoor exhibits.**
- **Do respect the living spaces of the residents of Naoshima.**
- **Please cooperate when our staff requested any additional infection control measures.**

In consideration of the outbreak, the staff will be wearing masks as a precautionary measure. Also, you may be asked to take your temperature at some of the facilities. Thank you for your cooperation and understanding.

If any of the following applies to you:

- **Difficulty breathing, strong fatigue, high fever, other strong symptoms**
- **Light cold symptoms such as fever or coughing with an easily aggravated underlying condition**
- **Suspected COVID-19 infection**
